

NUMBERS CLARITY WORKSHEET

Not knowing the numbers in your business can be scary and disempowering.

Even worse, these emotions send a big STOP signal to the universe.

If you aren't a numbers person, or if you feel uncomfortable at the thought of looking at your numbers, take a deep breath and relax.

It doesn't need to be complicated.
There are no fancy math acrobatics required!

Knowing your numbers will set you free!

NUMBERS CLARITY WORKSHEET

The numbers you need to know are:

- How much money is coming in
- How much money is going out

When you know these numbers you can make good decisions as the owner of your business.

You'll know when and how much money to spend on new resources.

And, you'll know if it's time to create a cash infusion.

Use the form on Page 4 to easily learn your current numbers.

You can find a sample form and instructions on Page 3.

NUMBERS CLARITY WORKSHEET

Money Summary for:

1. Enter the money coming in from the sale of products and services, JV commissions and any other money you receive during the month.

2. Enter the money you spend during the month. Include everything you pay for, such as products, services and JV commissions.

SUMMARY		
<i>Total Money In</i>	<i>Total Money Out</i>	<i>Profit</i>

NUMBERS CLARITY WORKSHEET

Now you've seen for yourself how simple and easy it is to know your numbers!

To get the most from this worksheet, fill it out every month.

Since this is not an established habit, you'll need to put your entrepreneur's cap on and take proactive steps to shift it from "new" to "second nature".

A good way to do that is to set aside a few minutes on your calendar every week. Make this a special time, just for you and your Numbers Clarity Worksheet.

If you would like to take this further, so that you can
know your numbers for the whole year,
